

Mr. Scared had a busy day, so he takes a relaxing bath.

He soapes himself and sings Bing. Bong.

He still sings,

Bing. Bong.

He is scared.

Bing Bong.

Mr. Scared doesn't expect a visit.

He puts on bathrobe and goes to open the door.

Water is still dripping from his.

He opens the door, but no one is there.

he looks around but doesn't see anyone.

Wondering if anyone really rang the bell.

He closes the door and goes back to the bathroom.

Bing Bong.

He gets scared and runs back to the door.

When he wants to open the door,

he slips on the water that dripped from him.

Suddenly, there are friends in front of him.

They wanted to surprise him and wish him a happy birthday.

But also to scare him a little bit, because ~~he knows~~ that he's scared.

Mr. Scared is scared, but happy.
