A long time ago two kids - Nicole and Paul decided that they ~~were~~^{are} going to go for a trip. They packed everything they needed: map, ~~map~~, a lot of T-shirts, trousers and old tools. During packing they made a huge mess. Their mum was so angry, but kids didn't care at all, because the mission of their lives, was about to start.

They first steps led to bus stop. In ^a few minutes the bus suddenly stops. No one knows what is happening. Nicole thought: "Is the driver dead?!" "Nicole you're crazy! Of course not! This is the first bus stop!" Paul said. "In ten minutes we ~~were~~^{are} going to take other bus, then super fast train, and then we are going to arrive." "Okay! I will pray for every driver, that he won't die during our trip." said Nicole. "So what you think, I don't really care."

a few moments later

"Nicole! Wake up, we need to catch another bus!" Nicole didn't wake up. "Hey, what's ~~wrong~~ wrong? Get up immediately!" Nicole still didn't react to his requests. Paul started to slow down and Paul started to panic. "Nicole? Nicole! Stop making jokes! I'm scared!" Bus stopped and Nicole still didn't wake up. After a few moments doors started to close. Paul was panicking. "Nicole! Nicole! Wake up! Please! Help! My sister is dead!" other people were confused. "Hey! What's wrong? Can I help you?" asked an old stranger. "My s-siste-er is-s dead. I-I don't k-know!" Paul was crying. "And we have to catch another bus!" "It's okay I will help you. Don't worry. First we have to wake up your sister."

Said stranger. "What's her name?" "She's Nicole. Do you know what's wrong?" asked Paul. "Nicole is okay. She's just sleeping. Didn't you notice that she's wearing headphones?" old man started laughing. "No-o I-I didn't. I'm sorry." "It's okay. Now do you know how to catch another bus?" asked the man. "No. I'm travelling without my mum for the first time." "Right. We will get out of the bus in a few minutes. Then I will find new bus, okay?" "Okay. Now I probably should wake her up." "Yeah, that would be amazing."

a few minutes later

"Okay so here is the bus you have to travel with. Wait until the bus stops completely and the bus driver will say to get away. It's simple. Good luck kids!" and with those words stranger walked away.

"Nicole we are finally here! This is the last bus stop!" said Paul. "Yayyy!" "With that two young kids get away from the bus."

"My lovely grandchildren! Nicole, Paul, I'm so happy to see you!" said an old woman. "Grandma! Hello!" said both of the kids at the same time.

"I have to tell you something..." And Paul started to tell his grandma about the worst travel experience that he has ever experienced...
